## Terms and Conditions

1. The acceptance of Buyer's order is subject to all terms and conditions set forth herein, all of which are accepted by Buyer, supersede Buyer's order form and acknowledgment if any, and constitute the entire contract between Buyer and Magpie Tech. Corp. ("Magpie"). The herein document shall become a contract when at Magpie's option: (a) Buyer shall have placed an order with Magpie and/or given to Magpie specification of assortments, delivery dates, shipping instructions, or instructions to bill and hold as to all or any parts of the goods herein described, (b) when Buyer has received delivery of the whole or any part of such goods, or (c) when Buyer has otherwise assented to the terms and conditions hereof either in writing, orally, or by conduct. No acceptance of the herein document may vary these terms unless specifically agreed in writing by Magpie.
2. Any order accepted by Magpie may be canceled by Buyer only upon written approval of Magpie by a duly authorized representative of Magpie. Buyer shall reimburse Magpie for any and all expenses incurred by Magpie in connection with such order, including inventory on hand or on order and finishing completed or in process tooling and engineering and handling.
3. Payment is due prior to shipping unless otherwise agreed to in writing by both parties. In such event, Magpie shall deliver to Buyer all invoices within seven (7) business days of shipping, and payment is due within 30 days. Invoices are payable on receipt unless other terms are negotiated and noted on the invoice. Payments on open accounts shall be applied to oldest invoices first. Balances of 30 days or more accrue a 1.5% service charge for each month or portion thereof as such balance remains due.
4. Unless otherwise specified, all goods are to be shipped prepaid from Magpie's place of business. The method of transport for international shipments is Ex Works. All expenses and risk of loss for any damage incurred in the transportation of goods passes to Buyer upon the placement with a carrier, and all claims for loss, damage, or delay against the carrier must be made by Buyer. Method and route of shipment are at Magpie's discretion unless Buyer supplies explicit instructions otherwise. Buyer shall pay all applicable taxes and shipping costs. Magpie shall not be liable for any loss or damage resulting from any such failure or delay in delivery, or from any such cancelation, or for loss of use, or for any loss of profits.
5. Buyer agrees to inspect all goods upon delivery and must reject any non-conforming goods immediately after delivery at the place of destination by notifying Magpie and confirming the rejection in writing within (10) days after delivery at the place of destination. The notification shall identify each and every alleged non-conformity of the goods and describe that portion of the shipment being rejected. Magpie shall then respond with instructions as to the disposition of the goods. If Buyer fails to give such notice, or if Buyer uses the goods in any manner within the prescribed 10-day period, the goods shall be deemed to conform with the terms of the contract in all respect and Buyer shall be bound to accept and pay for the goods in accordance with the terms hereof. All goods returned from Buyer to Magpie must be in the original packaging and container as shipped to Buyer and must be accompanied by a Return Merchandise Authorization ("RMA"). Returned goods in any packaging or container other than that originally shipped to Buyer, or those without an RMA, will not be accepted by Magpie. When goods are returned in conformity with the above, Magpie – at its discretion – may either (a) issue a credit
